Subject: RE: Meridian Gardens Internet Issue - COMPENSATION APPROVED

James,

Compensation approved: **3 days rent rebate** for all affected units (Levels 4-10).

Rationale:

- 10 days of degraded service
- 2 days of complete outage
- Total 12 days impact $\approx$ 3 days full equivalent

Estimated cost: \$13,500 (more reasonable than full week)

This is a third-party contractor issue (roadworks damage), so we'll pursue recovery from the contractor's insurance.

Approved to proceed. Include compensation details in the building notice.

Subject: RE: Meridian Gardens Internet Issue - ACTION PLAN

David,

This is a major service disruption. Here's the action plan:

Immediate Actions:

1. Send building-wide notice tonight to all Meridian Gardens Levels 4-10 tenants (45 tenants)
2. Explain the situation, timeline, and apologize
3. Provide temporary solution options (mobile hotspots, work-from-home arrangements)

Complaint Summary: We've received **5 formal complaints** from Meridian Gardens this week (Levels 4, 5, 6, 7, 8). Actual impact is 45 tenants across 7 floors.

Compensation Policy: Dr. Goh - need your guidance on compensation. Tenants have been without proper internet for 10 days, and we'll have complete outage Friday-Saturday.

Recommend: 1 week rent rebate for all affected units (pro-rated).

Estimated cost: \$31,500.

David - draft the building-wide notice and I'll review before sending. Needs to go out within 2 hours.

Subject: RE: Meridian Gardens Internet Issue - URGENT UPDATE

James,

ISP technician completed inspection. **MAJOR ISSUE IDENTIFIED:**

The main fibre optic cable serving Meridian Gardens was damaged during roadworks by a third-party contractor last week. The damage is gradual degradation, which explains why it got progressively worse.

Impact: Levels 4-10 affected (approximately 45 tenants)

Resolution:

- Emergency fibre cable replacement required
- Work starts tomorrow morning (Friday, April 12)

- Estimated completion: Saturday afternoon (April 13)
- Full service restoration: Sunday morning (April 14)

Downtime: Building will have NO internet Friday-Saturday during repair work.

This is worse than we thought. We need to notify all affected tenants immediately.

Subject: FW: Unacceptable Internet Service - FIFTH COMPLAINT + ESCALATION

James,

FIFTH complaint from Meridian Gardens - Level 8. Now threatening rent compensation demands.

How many complaints have we received from Meridian Gardens lately? This is clearly building-wide and becoming a serious issue.

Need guidance on:

1. Immediate response to tenants
2. Building-wide communication
3. Compensation policy if repair takes longer

This is escalating quickly.

David,

I'm writing to formally complain about the internet service at Meridian Gardens. Our fintech company (Unit #08-14) relies heavily on stable internet for our operations, and we've had almost no connectivity for the past 10 days.

This is causing significant business losses. If this isn't resolved by tomorrow, we'll need to discuss rent compensation.
