Subject: RE: Poor Internet Speed - RESOLUTION UPDATE

Dear Ms. Koh,

Thank you for reporting the internet issue at Meridian Gardens.

We have identified the root cause: damaged fibre optic cable from external roadworks. Emergency repairs are scheduled for this Friday-Saturday (April 12-13).

Please see the building-wide notice sent earlier this evening for full details, including:

- Complete timeline
- 3-day rent rebate compensation
- Temporary solution options

We sincerely apologize for the disruption to your business.

Best regards,

David Lim

Subject: Poor Internet Speed

Hi,

Adding to what I'm sure are other complaints - our internet at Unit #05-18, Meridian Gardens is incredibly slow. Can barely load websites.

This started about 10 days ago.
