Dear Ms. Lim,

Thank you for reporting the internet issue at Meridian Gardens.

We have identified the root cause: damaged fibre optic cable from external roadworks. Emergency repairs are scheduled for this Friday-Saturday (April 12-13).

Please see the building-wide notice sent earlier this evening for full details, including:

- Complete timeline
- 3-day rent rebate compensation
- Temporary solution options

We sincerely apologize for the disruption to your business.

Best regards,

David Lim

Subject: Slow Internet Connection

Hi David,

Our internet at Unit #04-12, Meridian Gardens has been extremely slow for the past week. Video calls keep dropping and file uploads are taking forever.

Can you check what's going on?
