Dear Ms. Wong,

Thank you for reporting the internet issue at Meridian Gardens.

We have identified the root cause: damaged fibre optic cable from external roadworks. Emergency repairs are scheduled for this Friday-Saturday (April 12-13).

Please see the building-wide notice sent earlier this evening for full details, including:

- Complete timeline
- 3-day rent rebate compensation
- Temporary solution options

We sincerely apologize for the disruption to your business.

Best regards,

David Lim

Subject: Unacceptable Internet Service

David,

I'm writing to formally complain about the internet service at Meridian Gardens. Our fintech company (Unit #08-14) relies heavily on stable internet for our operations, and we've had almost no connectivity for the past 10 days.

This is causing significant business losses. If this isn't resolved by tomorrow, we'll need to discuss rent compensation.
