Subject: RE: Complex Renewal Request - Legal & Financial Review Needed

Catherine,

Both Legal and Finance have approved. I concur with their assessments.

Approval granted for:

1. Corporate-to-personal lease conversion
2. Early renewal (July 2024)
3. 5-year term
4. Rate: \$7,150/month (Years 1-3), \$7,500/month (Years 4-5)

Additional conditions:

1. Security deposit: \$15,000 (increase from current \$14,300)
2. CPI adjustment clause for Years 4-5 (if CPI > 5% annually)

3. Early termination penalty: 6 months rent if terminated before Year 3
4. Standard personal lease terms

This is a win-win arrangement. Present this to the tenant at your 25 April 2024 meeting and get her agreement on the additional conditions.

Good work on retaining a quality long-term tenant.

Subject: RE: Complex Renewal Request - Legal & Financial Review Needed

Catherine,

Financial Assessment:

Credit Evaluation:

- Personal financial statements reviewed: APPROVED
- Net worth: \$2.5M (excellent)
- Annual income: \$450K (very strong)
- Credit risk: LOW

Rate Analysis: Current: \$7,150/month Market rate: \$7,800/month Proposed: \$7,150/month (Years 1-3), \$7,500/month (Years 4-5)

Financial Impact:

Scenario A: Standard 3-year renewal at market rate

- Revenue: $\$7,800 \times 36 \text{ months} = \$280,800$

Scenario B: Proposed 5-year with rate lock

- Years 1-3: $\$7,150 \times 36 \text{ months} = \$257,400$
- Years 4-5: $\$7,500 \times 24 \text{ months} = \$180,000$
- Total: \$437,400

Comparison:

- 5-year proposal generates \$156,600 MORE total revenue
- Sacrifices \$23,400 in first 3 years but gains \$156,600 over 5 years
- Occupancy certainty worth ~\$30,000 (estimated cost to find new tenant, vacancy risk, fit-out incentives)

Net benefit of 5-year proposal: ~\$163,000

Recommendation: APPROVE

- Long-term occupancy certainty outweighs short-term rate concession
- Total revenue higher over 5 years
- Eliminates vacancy risk and re-leasing costs
- Excellent tenant worth retaining

Conditions:

- Security deposit: Increase from \$14,300 (current 2 months) to \$15,000 (2 months at new average rate)
- Include CPI adjustment clause for years 4-5 if inflation exceeds 5% annually

Subject: RE: Complex Renewal Request - Legal & Financial Review Needed

Catherine,

Legal Assessment:**Corporate-to-Personal Conversion:**

- Terminate existing corporate lease (early termination by mutual agreement)
- Execute new personal lease with same terms/conditions

- Require: Personal credit check, financial statements (provided), personal guarantees no longer needed (individual is primary)
- Security deposit: Can transfer existing deposit to new lease

5-Year Term with Split Pricing:

- Legally permissible - we can structure as single 5-year lease with built-in rent escalation clause
- Recommended: Years 1-3 @ \$7,150, Years 4-5 @ \$7,500 (as proposed)
- Include standard CPI adjustment clause as backup (caps our downside risk if inflation spikes)

Risk Factors:

- Sole proprietor has unlimited personal liability (actually better for us than corporate limited liability)
- Estate planning context is reasonable and low-risk
- Long-term tenant with proven track record mitigates risk

Recommendation: Approve with conditions:

1. Personal financial statements verified (Sarah to confirm)
2. Include standard lease clauses (maintenance, insurance, etc.)
3. Early termination penalty if personal lease is terminated before year 3 (to protect our 5-year commitment)

This is reasonable for a valued long-term tenant.

Subject: Complex Renewal Request - Legal & Financial Review Needed

Hi Dr. Goh and Sarah,

I have a renewal request with special circumstances requiring your input:

Tenant: Jennifer Tan / JenTan Enterprises (Unit #03-15, Verdant Plaza)

Tenancy: 5 years, excellent history, current lease expires Dec 2024

Request:

1. Early renewal (July 2024 instead of Dec 2024)
2. Corporate-to-personal lease conversion (company dissolving, continuing as sole proprietor)
3. 5-year term (instead of standard 3 years)
4. Rate lock: \$7,150/month for years 1-3, \$7,500/month for years 4-5

Questions:

Dr. Goh - Legal perspective:

- What's required for corporate-to-personal conversion?
- Any risk factors we should consider?
- Can we accommodate 5-year term with split pricing?

Sarah - Financial perspective:

- Personal financial statements attached - is credit adequate?
- Is the proposed rate acceptable? (Current market rate for that unit is \$7,800/month)
- What's the financial impact of the rate lock?

Meeting scheduled with tenant 25 April 2024. Need your input before then.

Subject: RE: Early Lease Renewal Discussion - Tenant History

Catherine,

Here's the complete history for JenTan Enterprises / Jennifer Tan:

Tenancy Timeline:

- **April 2019:** Initial lease signed (3-year term, expires April 2022)
- **Unit:** #03-15, Verdant Plaza (1,100sqft @ \$6,600/month initially)

Inquiry History (6 total interactions):

1. **March 2019:** Initial lease application (approved)
2. **August 2020:** Maintenance request - HVAC issue (resolved and closed)
3. **January 2022:** First lease renewal (3-year term, rent increased to \$7,150/month, expires Dec 2024 - note: they requested 6-month extension at renewal, which we granted)
4. **June 2022:** Parking allocation inquiry (approved additional parking lot, closed)
5. **November 2023:** EcoRebate application for LED lighting (approved \$2,800 rebate, closed)
6. **April 2024:** This current early renewal request (OPEN)

Payment History: Excellent - never late, no arrears

Special Notes:

- Long-term tenant (5 years)
- Previous renewal included 6-month extension accommodation (original 2022 renewal was for April-April, we adjusted to Dec-Dec per their request)
- Active in sustainability initiatives (EcoRebate participant)
- Corporate lease (JenTan Enterprises Pte Ltd)

This is a valued tenant with clean history. The corporate-to-personal conversion will require legal review and new credit checks.

Subject: FW: Early Lease Renewal Discussion

Hi Rachel,

This is a complex renewal request from a long-term tenant. Can you pull their full tenancy history? I need to understand:

1. How many times have they contacted us over the years?
2. Any previous issues or special arrangements?
3. Payment history

This involves corporate-to-personal lease conversion, early renewal, 5-year term, and rate lock requests. Will need multi-department coordination.

Subject: Early Lease Renewal Discussion

Dear Catherine,

I hope this email finds you well. We've been tenants at Verdant Plaza (Unit #03-15) since 2019, and our current lease expires in December 2024.

I'd like to discuss early renewal (starting July 2024 instead of December) with some modifications:

1. My company (JenTan Enterprises Pte Ltd) is being restructured, and I'll be taking over the lease personally rather than under the company name
2. Requesting 5-year term instead of 3 years
3. Would like rental rate locked for first 3 years, with adjustment in years 4-5

Happy to discuss the details. Can we schedule a meeting?

Best regards, Jennifer Tan
