Subject: Viewing Feedback - MegaCorp

Michael,

Tenant viewed both units. They preferred **Greenway Commons Unit #05-15** (2,600sqft @ \$15,600/month).

They want to proceed with:

- New lease start: 1 May 2024
- Phased transition: Keep Verdant Plaza through June 2024 (50% discount)
- Final move-out from Verdant Plaza: 20 June 2024

I'll prepare the lease documents for Greenway Commons. Also need to prepare early termination amendment for Verdant Plaza.

Tenant seems very satisfied with the resolution.

Subject: RE: Looking for Larger Office Space - Transition Timeline

Michael,

For the transition timeline question:

If Tenant chooses to relocate:

- New lease can start as early as 1 May 2024 (Greenway Commons unit is ready)
- Current Verdant Plaza lease ends August 2024
- We can allow early termination (1 May 2024) without penalty given:
 1. They're relocating to another HCSA property
 2. Arrears have been resolved

3. This frees up Unit #06-18 for re-leasing

Overlap option:

- If they need transition time, they could lease both units for 1-2 months (May-June) to facilitate move
- We can offer 50% discount on Verdant Plaza rent during overlap period

Provide these options to the Tenant after viewings.

Michael,

Yes, I can approve a 6-month payment plan for the remaining \$7,200 if:

1. Financial statements received by 12 April 2024
2. \$7,200 paid immediately (by 15 April 2024)
3. Monthly installments of \$1,200 (April-September 2024)

Once those conditions are met, the account will be in good standing and we can proceed with the new lease.

Hi Sarah,

Tenant responded positively:

- Will submit financial statements by end of week
- Can pay \$7,200 immediately
- Requesting 6-month payment plan for remaining \$7,200

Can you approve a 6-month plan if they meet those conditions?

Also need to coordinate viewings for next week.

Subject: RE: Looking for Larger Office Space - Complex Situation

Michael,

Here's how to proceed:

Option B - Conditional Expansion Offer

We can discuss expansion options BUT make it explicitly conditional on resolving outstanding matters. This shows goodwill while protecting our interests.

Action Plan:

1. Respond to Tenant acknowledging their expansion needs
2. Present available options (Meridian Gardens or Greenway Commons)
3. Clearly state that proceeding requires:

- Submission of financial statements (overdue since January)
 - Immediate payment of \$7,200 (50% of arrears)
 - Formalized payment plan for remaining \$7,200
 - Resolution of open maintenance request
4. If they meet these conditions, we can proceed with expansion lease
 5. If they relocate to our other development, current lease can be terminated early (waive penalty given the circumstances) but arrears must be cleared first

This approach:

- Shows we want to retain them as tenants
- Protects our financial interests
- Addresses the outstanding matters
- Creates path forward for expansion

Draft your response accordingly and I'll review before you send.

Subject: FW: Looking for Larger Office Space - Complex Situation

Hi James,

Need your guidance on a complex case:

Situation:

- Existing tenant (MegaCorp, Unit #06-18 Verdant Plaza) wants larger space (2,500-3,000sqft)
- They have \$14,400 in arrears with stalled payment plan (waiting for financial docs since January)
- No suitable units at Verdant Plaza in their size range

- Alternatives available at Meridian Gardens or Greenway Commons
- They also have an open maintenance request

Question: How do we handle this? Do we:

A) Address arrears first, then discuss expansion

B) Offer expansion conditional on arrears resolution

C) Treat as potential lease termination (if they relocate elsewhere) and prioritize collections

This is their 5th inquiry with us and they have 2 open cases.

Please advise.

Subject: RE: Looking for Larger Office Space - Payment Plan Status Needed

Michael,

Status of payment plan (MegaCorp Solutions, Unit #06-18):

Outstanding Arrears: \$14,400 (December 2023 - January 2024 rent)

Payment Plan Requested: January 2024 - 8-month installment plan

Status: STALLED - waiting for financial statements (requested Jan 20, followed up Feb 15 and Mar 10, no response)

Current Situation:

- Total outstanding: \$14,400 arrears + current rent (they're now paying monthly rent on time since February)
- Cannot approve payment plan without financial documentation
- Account is flagged for collection if not resolved by 30 April 2024

Recommendation: Before discussing expansion or new lease:

1. Tenant must submit financial statements

2. Clear at least 50% of arrears (\$7,200) immediately
3. Formalize payment plan for remaining balance

We cannot enter new lease agreements while they have significant unpaid arrears. That's our standard policy.

Let me know how you want to proceed.

Hi Sarah,

We have a tenant requesting larger space (potential expansion or relocation), but Catherine flagged that they have an outstanding payment plan request from January with \$14,400 arrears.

Can you provide status update on the payment plan case? We need to resolve this before discussing any expansion/relocation options.

Thanks,

Michael

Subject: RE: Looking for Larger Office Space

Michael,

I checked the records. MegaCorp Solutions has extensive history with us:

Previous Inquiries:

1. **June 2022** - Initial lease application for Unit #06-18, Verdant Plaza (approved - current active tenancy)
2. **March 2023** - Maintenance request for HVAC malfunction (resolved and closed)

3. **November 2023** - Additional parking allocation request (approved - 2 extra lots allocated, closed)
4. **January 2024** - Payment plan request for \$14,400 arrears (OPEN - pending Finance approval, Tenant hasn't submitted required financial docs)
5. **February 2024** - Maintenance request for water leak (OPEN - repair scheduled for 8 April 2024)

So this is their **5th inquiry**. They have **2 open cases** currently (payment plan + maintenance).

Important: Before we discuss expansion/relocation, we need to address the outstanding payment plan matter. They owe \$14,400 and haven't provided the financial statements we requested in January.

Availability for 2,500-3,000sqft:

Verdant Plaza:

- No units available in that size range currently
- Largest available: Unit #07-22 (1,800sqft) - too small

Alternative Developments:

- **Meridian Gardens:** Unit #08-30 (2,900sqft) @ \$17,400/month
- **Greenway Commons:** Unit #05-15 (2,600sqft) @ \$15,600/month

However, I recommend we don't proceed with expansion discussions until the arrears situation is resolved. We need to coordinate with Finance first.

Hi Catherine,

Existing tenant at Verdant Plaza (#06-18, 1,200sqft) needs 2,500-3,000sqft. Wants to stay at Verdant Plaza if possible, but open to other developments.

This company name looks very familiar. Could you check:

1. How many times have they contacted us?
2. Do they have any pending matters?
3. What's their tenancy history?

Also, please provide availability for the size they need at Verdant Plaza and alternative developments.

Thanks, Michael

Hi Michael,

Our company is expanding and we need more space. Currently we're in Unit #06-18 at Verdant Plaza (1,200sqft) but we need around 2,500-3,000sqft now.

Do you have anything available at Verdant Plaza or nearby developments? We'd prefer to stay in Verdant Plaza if possible but open to relocating if better options exist.

What are our options?
