Subject: RE: Multiple Rebate Status Inquiries

Jennifer,

Status checks this week: **3 inquiries** (all from different clients, different applications)

Here are the updates:

ER-2024-0167 (Peter Lim - EnergySave):

- Status: Documentation review stage
- Issue: Missing post-installation energy audit report
- Action: Requested from client on 28 Feb not yet received
- Cannot proceed to approval without this document

ER-2024-0173 (Diana Wong - CleanEnergy):

- Status: Final approval stage
- Rebate amount confirmed: \$5,100
- Expected approval: 18 March 2024
- Payment within 7 days after approval

ER-2024-0156 (Kevin Tan - GreenBuild):

- Status: Approved, payment processing
- Rebate amount: \$7,200
- Payment scheduled: 15 March 2024 (tomorrow)
- Should receive bank transfer by 18 March 2024

Let me know if you need Finance to expedite any of these.

Dr. Goh

Subject: Multiple Rebate Status Inquiries

Hi Dr. Goh,

We're getting several status check inquiries this week. How many status check inquiries do we have pending? I need to prioritize responses.

Current ones:

1. ER-2024-0167 (Peter Lim) - submitted 4 weeks ago
2. ER-2024-0173 (Diana Wong) - submitted last month
3. ER-2024-0156 (Kevin Tan) - approved 2 weeks ago, awaiting payment

Could you provide status updates for all three?

Jennifer

Subject: Rebate Payment Timeline

Dear Jennifer,

My rebate application (ER-2024-0156) was approved 2 weeks ago but I haven't received payment yet. When will the funds be transferred?
